Synopsis:

It's 1950, and new colors are being added to the Red Scare. Two US State Department employees, Bob & Norma, have been tasked with identifying sexual deviants within their ranks. There's just one problem: Both Bob & Norma are gay and have married each other's partners as a carefully constructed cover. Inspired by the true story of the earliest stirrings of the American gay rights movement, madcap classic sitcom-style laughs give way to provocative drama as two "All-American" couples are forced to stare down the closet door.
